

Copy of the Building Safety Certificate issued by structural engineer empanelled by the Surat Municipal Corporation

REF:- SMC/STBC/BUC/CF032

Date: 15th December' 2017

STABILITY CERTIFICATE

This is to certify that I am registered Structural Designer with Surat Municipal Corporation having Registration no. TDO/ST.DR-42

The building situated at, F.P.No.79, Block No.239, T.P.S.No.37(Althan), Tal City Dist. Surat. Was designed by me as per the provisions of I.S. 875 (II) and IS: 456. Building is Basement + Ground Floor + Four Storey School Building.

I have inspected the structure on 14th December, 2017 and it does not exhibit any sign of distress and the structures seem to be safe for the intended use as School Building. Change/ Alterations of any i.e. change of use, altering wall positions or any alteration involving structural configurations shall not be done without prior permission of Structural Engineer.

Building need to be maintained properly and adequately throughout design life span, so as to maintain its adequate strength required for stability.

This stability certificate is valid for five years from now. The structure/buildings shall be inspected and structurally audited by competent structural engineer at every five years. Also stability certificate shall be obtained from him after such structural audit.
